

RACKING & SHELVING

HEAVY-DUTY ULTRACAP™ STEEL SHELVING

- Industrial-grade shelving made from 20-gauge steel is available in starter and add-on units for a wide variety of storage solutions
- Six 20-gauge welded tubular box shelves with lapped and welded corners provide for total capacity from 650 to 1100 lbs. per shelf based on evenly distributed loads
- 14-gauge box formed front posts provide full shelf access and assembly time when joining multiple units
- Posts are punched on 1" centres for easy shelf adjustment and a variety of configurations
- Powder coat grey finish provides added protection from chipping and rust
- Shipped knocked down

COUNTER SHELVING

- Features a rugged 14-gauge steel countertop to provide a practical, useful work surface
- Each section is 36" wide, 18" or 24" deep and 39" high
- Available in 3 shelf open or closed and 4 shelf closed
- All shelves are adjustable up or down on 1 1/2" centres
- Shelf capacity, 900 lbs evenly distributed
- Tops are 21 7/16" deep for 18" counters, and 27 7/16" deep for 24" counters
- Open counter shelving is ideal for packing, assembly and inspection work, where bin openings are not required
- Closed-counter design offers barrier-separations for partitioning off areas, plus concealed storage under top
- Ideal for toolrooms, repair shops, auto parts stores, warehouses etc.
- Colour: Dove grey, other colours available
- Shipped knocked down
