

HYDRAULIC BOTTLE JACKS

- Designed for vertical use only
- Large heavy-duty base for added stability and strength
- Heavy steel saddle for secure lifts
- Factory pre-tested for 50% reserve capacity

MODEL NOS. TS322, LA816 & LA817

- Extra heavy-duty applications including bridge construction, renovation, house moving and hydraulic presses

MODEL NOS. LA818 & LA819 SHORT SERIES

- Applications:** industrial, agricultural, construction, and automotive lifting, pushing, bonding and straightening

LA818
12 Ton Short Series

TS322
30 Ton Heavy-Duty

LA812
12 Ton Single Pump

LA817
50 Ton Heavy-Duty Double Pump

LOW PROFILE HYDRAULIC FLOOR JACKS

- Sturdy heavy duty steel construction
- Welded chassis with reinforcing rims
- Engineered to withstand daily workshop use on passenger vehicles and vans
- Features high lifting capacities
- Quick operation design with two pumps and one foot pedal
- Comfortable hand grip
- Oil and acid resistant plastic wheels
- Construction: Steel

GARAGE JACKS

- Manually operated garage jacks are designed to lift cars, trucks, fork lifts, agricultural and construction equipment with hard to access lift points
- Long chassis easily reaches under overhanging bodies
- The extended reach allows for safe lifting of oversize loads
- Two steel wheels and two swivel casters allow for ease of movement positioning under low clearance axles and other objects
- The foot pedal allows for rapid lift to work load
- Automatic safety valve prevents accidental overloading

LU048	6	15.7	24.4	11	161.00

Priced per Pair

SHOPSTANDS

RATCHET SAFETY STANDS

- Heavy duty all steel welded construction with strong welded base for control and stability
- The weight of the load serves as locking mechanism to prevent release under load
- Ratchet bar will safely sustain heavy loads over extended support time

Ratchet

PIN TYPE SAFETY STAND

- 10-ton capacity
- Solid bar-lock pin attached to frame holds saddle firmly in place
- Sturdy tubular construction
- 4 legged base adds stability and support
- Number of positions: 10
